From Sunset Publishing Corporation : Reinvent Your Garden (Sunset) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reinvent Your Garden (Sunset):

0 of 0 people found the following review helpful. great bookBy blaha really nice book with great big pictures of all types of gardens. Had some interesting information, few things to think about when figuring out how your garden will be layed. I was kindof disappointed though, it had listings of all the plants and flowers used in each photo but didnt tell you which one was which.. i dont always want to get online to look up something. all and all a good buy, could be inspirational0 of 0 people found the following review helpful. Five StarsBy Ruth D. Akrightbest guide to doing some unique things with gardens. Instructions are great.0 of 0 people found the following review helpful. GardensBy CustomerThis book is great for the beginner or the seasoned gardener. Great ideas and beautiful color pictures. A must for any serious gardener.

Imagine, 70 ways to spruce up your garden, and many of them take only a day or a weekend to complete-some only an hour or two! Whether it's a project for the side yard, a patio container garden, or a new look for your entryway, *Reinvent Your Garden* provides easy-to-follow instructions and tips from experts that make it appealingly simple to give your garden a fresh new look. And that means more time for you to enjoy it.
