Megan Fulweiler : Relaxing on the Porch before purchasing it in order to gage whether or not it would be worth my time, and all praised Relaxing on the Porch:

1 of 1 people found the following review helpful. The good lifeBy R. BrownIf you dream of lounging in a big hammock with a good book on a wide veranda porch surrounded by flowering shrubs on a lazy summer afternoon (but are trapped in the concrete canyons of the city) then this is the calendar for you. And for me! Wonderful, daydream-producing illustrations.0 of 0 people found the following review helpful. Coffee table bookBy NY readerThis book was not as inspirational as I had hoped, but still nice. It did not have enough ideas which I have not already seen to make me feel its really worth my while, however many should enjoy it for its color pages and large coffee table size.1 of 1 people found the following review helpful. Staging ideas for outdoor enjoymentBy E. PrihodaIf you love interior design and staging this is a great book for doing those extra things in outdoor spaces to make them really pop.Wonderful lazy afternoon "treat" to dream through.

Whether you take pleasure in birdwatching or stargazing, flower tubs or hot tubs, youll find fully illustrated

instructions for turning porch space into a comfort zone.
