Better Homes and Gardens Books : Remodeling Idea File: Real Homes, Real Projects, Real Inspiration before purchasing it in order to gauge whether or not it would be worth my time, and all praised Remodeling Idea File: Real Homes, Real Projects, Real Inspiration:

0 of 0 people found the following review helpful. Perfect Gift By Hilda It was a gift for my mom and she went crazy about it the minute she unwrapped the package.

This book combines inspirational planning with real-life examples of remodeling projects. From contemplation to implementation, it's filled with innovative solutions and practical advice, from finding and working with a contractor to keeping a project on schedule and within budget. Designed to inspire readers to look differently at their own homes through detailed case studies, remodeling recommendations, and before- and after-photos. Presents remodeling in a

series of progressively more involved design solutions: redecorating, rearranging, remaking, remodeling with an addition, and redoing kitchens and baths. Special features provide in-depth information on classic design principles, today's trends, and technical topics, including design advice sidebars and ideas for nontraditional living spaces.
