Dan Ho : Rescue from Domestic Perfection: The Not-So Secrets of Balancing Life and Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Rescue from Domestic Perfection: The Not-So Secrets of Balancing Life and Style:

0 of 0 people found the following review helpful. A perfectionist I am NOTBy Andrea L. StoeckelThis was one of my first Marketplace purchases. I used to watch this guy all the time before Direct TV changed where they put him. I was going through an anti Martha Stewart phase, and actually used some of the tips in the book3 of 4 people found the following review helpful. Ho's history is interesting, but that should be for another book...By Cendol CayangAside from Ho's interesting history, this book offers a lot of sound and logical advice. He makes you think and reflect on why you use time and energy to transfer that rice already bundled in a beautiful and user-friendly package into glass jars that match the rest of the glass jars in the pantry. I have to admit he makes sense...unless you have this innate

insatiable need to match everything and have your kitchen look like the candy store downtown. On the other hand, Ho's sound and logical advice is lost due to his holier-than-thou opinionated nuances that exude throughout the book. It's like if you do not conform to his school of thoughts, you have no "gai" and having no "gai" has been put across as the 8th deadly sin. That's off-putting, considering the useful subject content of this book. 0 of 0 people found the following review helpful. Re-think what "style" means. By Alma Bush Clearly written useful ideas... will make you think about what Style really means. Ho's fresh ideas can help anyone live comfortably.

Dan Ho, described in "USA Today" as the "anti-Martha Stewart," humorously discusses how to simplify life and find one's true style with minimal money and time. 150 full-color photos.

About the Author Dan Ho is the publisher and creator of Rescue magazine and has been called "the anti-Martha" by Time magazine and USA Today. In 2006 Ho will have a series on Discovery Health network, as well as four one-hour specials.
