Max Main, Charles J Brooks : RESI Home Security and Surveillance Systems Endorsements before purchasing it in order to gage whether or not it would be worth my time, and all praised RESI Home Security and Surveillance Systems Endorsements:

This book prepares the reader to work in the residential security and surveillance business. It includes information on installing and configuring residential security systems, including a wide array of sensors and alarms. It also covers residential surveillance systems and their integration into the security and network systems.
