**Stanley J. Strychaz : Residential Construction Costs 2000** before purchasing it in order to gage whether or not it would be worth my time, and all praised Residential Construction Costs 2000:

RESIDENTIAL CONSTRUCTION COSTS 2000 Unit construction costs for Residential construction. Open Shop and Union installation costs, plus material cost and man-hours for each of 6,500 line item. Arranged in 16 Division CSI Masterformat system. Also includes 1,600 line items of Assembly Costs, illustrations, glossary, location factors and indexes. A CD-ROM with an estimating program including two databases (Union Open Shop) and the Assemblies is part of the package. Ideal in preparing detail estimates and bids.
