**Clois E. Kicklighter Ed. D., Joan C. Kicklighter : Residential Housing Interiors, Student Activity Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Residential Housing Interiors, Student Activity Guide:

0 of 0 people found the following review helpful. Four StarsBy Linda N. ShirleyWhat I wanted.0 of 0 people found the following review helpful. GoodBy Chrissy ChrisThee book could be really helpful, but I made the mistake of buying this instead of the textbook. I definitely would work if that is what you want.0 of 0 people found the following review helpful. Wrong bookBy D. SmalleyThe book was in excellent condition...pretty much brand new, except it was the wrong book intended. It never said anything about being the workbook.

Designed to help students review content, apply knowledge, and develop critical-thinking skills. A wide variety of activities are provided for various learning styles. This supplement is a consumable resource, designed with perforated

pages so that a given chapter can be removed and turned in for grading or checking.
