Clois E. Kicklighter Ed. D., Joan C. Kicklighter : Residential Housing Interiors before purchasing it in order to gage whether or not it would be worth my time, and all praised Residential Housing Interiors:

1 of 1 people found the following review helpful. GoodBy CustomerThe book is easy to read and understand. Enjoying what the book offers and learning a lot on housing and interiors0 of 0 people found the following review helpful. I couldn't ask for betterBy Anal am very happy with this. The price was great and the book like new! I couldn't ask for a better deal!6 of 7 people found the following review helpful. Excellent Basics on Residential Home DesignBy Donald W RandallThis book is perfect for a homeowner that is considering designing their own home. Beginning students of architecture will find this book excellent leading to an overall understanding of the aspects necessary for a good residential home design.This book provides the basics that will allow easy progression to specialized books in architectural design, residential structural engineering, construction and interior design. I read this book after I had read other design and architectural books, but wished I had read this book first. For example, read

Residential Housing and Interiors then read *Architecture: Residential Drawing and Design*. The explanations of design and construction concepts are well written, and the graphics and photos are outstanding.

Residential Housing Interiors acquaints students with planning, building, decorating, and landscaping a home, and working in the housing industry. Chapters 21, 23, and 30 cover the practical aspects of choosing suitable housing. Each text chapter includes a list of Internet resources. Appendix includes: topographical, plumbing, electrical, and climate control symbols; common sizes of living room furniture, bedroom furniture, bathroom fixtures, and kitchen cabinets; common sizes of windows; and much more.

About the Author Goodheart-Willcox is the premier publisher for Technical, Trades, and Technology; Family and Consumer Sciences; and Business, Marketing and Career Education.
