Liz Wagstaff : Revamp Your Furniture: A Sourcebook of Ideas, Techniques, and Makeovers before purchasing

it in order to gauge whether or not it would be worth my time, and all praised Revamp Your Furniture: A Sourcebook of Ideas, Techniques, and Makeovers:

For anyone looking for imaginative, eco-conscious solutions to home decoration comes Revamp Your Furniture by London-based interior designers Liz Wagstaff and Mark Thurgood. With easy-to-follow recipe-style instructions and helpful photographs, Revamp Your Furniture features 30 projects to help you exercise your creativity, save money and be more earth-friendly as you transform your old furniture into works of art, like the Monet-inspired Giverny chair. The book is divided into three sections: preparation, facelifts, and techniques and includes a fully illustrated directory of the techniques featured in the projects. "Our aim is to provide you with a bank of inspirational ideas and technical advice on how to achieve custom-built results easily and cheaply."

"This book has a higher level of detail than many other faux finishes books." -Customer comment
