RHS : RHS A Gardener's Five Year Record Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised RHS A Gardener's Five Year Record Book:

Gardeners know how helpful it is to be aware of what is happening in the garden from year to year what germinates, flowers or fruits and when; how the weather affects flowering and fruiting seasons and harvests; issues with pests and so much more. A Gardener's Five Year Record Book from the RHS makes it easy to record what happens in the garden over a five-year period. Structured week by week, with five years to a view, it is flexible enough for the user to choose a personal emphasis if desired. There are additional sections on Plants to Buy, Plant Suppliers, Useful Addresses and Gardens to Visit so essential information is all in one place. Illustrated with works of art from the RHS Lindley Libraries.
