Royal Horticultural Society : RHS Japanese Iris Notebook Set before purchasing it in order to gage whether or not it would be worth my time, and all praised RHS Japanese Iris Notebook Set:

0 of 0 people found the following review helpful. LovelyBy JewelLovely little books that delight me every time I write in them.

A set of three A5 Notebooks bellybanded together to create a gift set. Each notebook cover illustrated with prints of Irises from the Yokohama nursery catalogue of Seitaro Arai which specialized in Iris Kaempferi, c.1890s. Each notebook is 48 pages and has rounded corners and exposed stitching on the spine. The inside cover is printed in colour

and there are lined pages throughout.

Scribble your musings in style.
