Susan Tweit : Rocky Mountain Garden Survival Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Rocky Mountain Garden Survival Guide:

0 of 0 people found the following review helpful. Great condition, as described. By CustomerGreat condition, as described. 4 of 5 people found the following review helpful. Rocky Mountain Garden Survival Guide By J. A. Forsyth The Rocky Mountain Garden Survival Guide I love this book. Five years ago I moved to the Western Slope of Colorado from the desert above Palm Springs, CA. I wish I had had this book then. So many mistakes, so little time. xxoo

With a widespread, continuing drought in their region, gardeners in the Rockies need help now more than ever, and they can finally get the quick, expert advice they need in this easy-to-use pocket-size guide.

A comprehensive gardening help book. -- Colorado Springs GazetteCool Tool. -- Boulder Daily Camera Easy-to-follow tips on dealing with gardening challenges. -- Albuquerque Journal About the Author Susan J. Tweit is a popular writer, speaker, and radio commentator. She has worked as a field ecologist and a native plant landscaper and has contributed to Audubon and other magazines, as well as to newspapers. She is the author of seven other books including Barren, Wild, and Worthless: Living in the Chihuahuan Desert and Seasons of the Desert: A Naturalists Notebook. She teaches creative writing and natural history workshops around the country. She lives in Salida, Colorado, where she has created a public xeriscape garden.
