Great little starter book.By Happy momI just moved into a new apartment with a patio, and needed inspiration on how to decorate it, or make it more welcoming. This little book was very inspiring, it gets straight to the point, and you are left wanting to know more. Towards the end of the book, there are examples of layouts and, setups, to give you more concrete examples, which I thought was very helpful.2 of 2 people found the following review

helpful. Great book By Jessica I gave this as a birthday gift and it was a hit. This book is filled with great photos and ideas.

Creating a terrace or rooftop paradise This city-dwellers guide to gardening shows how less is actually more, especially when it comes to creating one's own terrace and rooftop paradise. With ten sample gardens to choose from, including the plans for each, this practical guide describes every aspect of urban gardening—from design for roofs, screening and framing, gardening without soil to containers, furniture, and decorations and special effects. Full of overall and close-up photos of each garden, this magazine-style guide will show any apartment dweller how to create their very own Eden—with a garden of ferns and bamboos and vegetables and herbs only footsteps away.

"...excellent and inspirational books...simplifies the whole complicated business of garden design...easy reading and beautifully illustrated." *Motoring Leisure* July/August 2008 "...shows that, literally, the sky is the limit...sleek modern spaces with plenty of style and plants to suit" (*Evening Standard Homes Property*, December 3rd 2008) From the Inside Flap Garden Style Guides This new series of compact illustrated books from John Wiley Sons makes gardening, fresh, engaging and accessible. The emphasis is on high style and low maintenance quick fix, high-impact solutions. Featuring newly commissioned photography, each title provides lashings of inspiration to help create your own garden, whether it be a minimalist terrace, a wild flower haven or a family garden. Titles in the series include: Design Your Garden: 10 simple steps to transform your garden ISBN: 978-0-470-51763-5 (9.99) Garden Makeovers: Quick fixes and designer secrets to transform your garden ISBN: 978-0-470-51762-8 (9.99) Low-Maintenance Gardens: 10 simple steps to beautiful, easy and stylish outside spaces ISBN: 978-0-470-51751-2 (9.99) Rooftop Terrace Gardens: A step-by-step guide to creating a modern and stylish space ISBN: 978-0-470-51761-1 (9.99) From the Back Cover Garden Style Guide Rooftop Terrace Gardens: A step-by-step guide to creating a modern and stylish space How is it possible to create a stunning space with no natural soil? This book looks at exciting ways to create terrace and rooftop spaces. It is full of ideas for visually appealing and practical planting in containers and raised beds, ranging from ferns and bamboos to vegetables and herbs. It also gives useful tips for screening and framing and provides a directory of plants for containers and roof gardens. Features newly commissioned photography by Steve Gorton Illustrated with specially drawn garden plans Packed with highly practical tips and quick-fix solutions Includes in detail 10 beautiful gardens to inspire
