The Editors of Phaidon Press : Room: Inside Contemporary Interiors before purchasing it in order to gauge whether or not it would be worth my time, and all praised Room: Inside Contemporary Interiors:

1 of 1 people found the following review helpful. Odd selection of projects, most were common place interiors ...By Dennis Brady
Odd selection of projects, most were common place interiors, others were sophomoric whimsy. It is a very large collection with only a few mildly interesting examples.
0 of 0 people found the following review helpful. Great pictures. Nice coffee table book
By Customer
Very wel done book. Great pictures. Nice coffee table book.
0 of 0 people found the following review helpful. Five Stars
By J. Miller Reagan
Conversation piece. Interesting decor.

100 interior design projects from around the world, chosen by 10 international curators, including Michael Boodro (ELLE Dcor), Nacho Alegre (Apartamento), and Tony Chambers (Wallpaper). ROOM: Inside Contemporary Interiors explores a curated selection of exceptional spaces, ranging from retail concept stores, pophyphen;up dining

experiences, and art installations, to hotels and private residences. Richly illustrated with extensive and neverhyphen;beforehyphen;published photographs, illustrations, floor plans, and construction details, as well as inhyphen;depth texts exploring each project and its impact, ROOM takes readers from the Wythe Hotel in Brooklyn to Shigeru Bana's Cardboard Cathedral in New Zealand, stopping at Evernotes Redwood City offices, a unique Sao Paulo loft, the Paul Smith store in London, a bamboohyphen;andhyphen;thatch bar in Vietnam, and more outstanding spaces along the way.

"An exquisite collection of spaces."-Make It Better "A seven-star, boutique hotel of a book with model looks... An impressive piece of work."-Irish Examiner "Dip into 100 projects from around the world in this comprehensive overview of interior design today."-Hong Kong Tatler Homes

About the Author Nacho Alegre is a cofounder of Apartamento Magazine. Apartamento is a biannual, Englishhyphen;language publication read in 45 countries; it has been called the world's hippest interiors magazine. Michael Boodro is Editorhyphen;inhyphen;Chief of ELLE DECOR Magazine. He has also held editorial positions at HG Magazine, Harpers Bazaar and GQ. He is the author of Stephen Sills and James Huniford's design book Dwellings. He began his career in the fine arts sector, and is a graduate of Yale University. Tony Chambers is Editorhyphen;inhyphen;chief of Wallpaper* the influential design, fashion and lifestyle magazine. He started his career as an editorial designer at The Sunday Times Magazine and became art director of UK GQ in 1996. Aric Chen is a writer, critic and curator specializing in design, architecture and art; a contributor to The New York Times, Wallpaper*, PINUP and others. He was creative director of Beijing Design Week and is currently curator of design and architecture for the new M+ museum for visual culture in Hong Kong, set to open in 2017. Miles Kemp has been a leader in interactive architecture and user experience design for nearly two decades. He is the president of awardhyphen;winning Variate Labs whose projects span robotics, interiors, architecture, products, vehicles, user experience and video game design. In 2009, Kemp cowrote Interactive Architecture, published by Princeton Architectural Press. Ko Matsubara is Editorhyphen;inhyphen;Chief of Tokyoohyphen;based Casa Brutus, one of Japan's foremost interior design and architecture publications. Casa Brutus is dedicated to coverage of all things design, fashion and lifestyle, and having a threehyphen;decade history, the monthly publication is among the most widely read magazines in Japan. Jon Otis is a practicing designer and Professor of Interior Design at the Pratt Institute. He has been awarded the Fulbright and Lusk Fellowships and more recently he was honored by being named a 2009 Design Intelligence Most Admired Educator in Interior Design. Robert Thiemann is Editorhyphen;inhyphen;Chief of Frame and Mark Magazines and Cohyphen;Director of Frame Publishers; its three highly international magazines cover art, architecture, design and interiors, reaching readers in 77 countries. Alan Yau is an internationally recognized restaurateur. In 1992 he launched Wagamama, a hip, hihyphen;tech, healthyhyphen;eating nohyphen;reservations canteen with communal bench seating and an inexpensive menu built around the Japanese noodle. Constantly trawling the globe in search of further inspiration his unparalleled restaurant empire has always been design focused.
