Garden ArborBy spunkymotokWho wouldn't want to add a piece of these beautiful structures to the garden. we have. My husband builds them.19 of 26 people found the following review helpful. Rustic Garden ArchitectureBy charles WellsIf you like gardens and nature you will enjoy this book. My girl friend gave it to me and now I am buying a copy for a friend. I have already made one bench from ideas in the book. A must have for the creative gardener
