**From Congedo Editore : Salento Style** before purchasing it in order to gage whether or not it would be worth my time, and all praised Salento Style:

Salento is located in the south-eastern extremity of Italy - located in the 'heel' of the Italian 'boot'. This book captures, in glorious photographs, the incredible interior design style of the region. Slowly becoming internationally recognized - just as 'Tuscan Style' before it - Salento Style encompasses an eclectic mix of fashions: at once simple, but sophisticated, rural and aristocratic, antique and contemporary.
