Five StarsBy Doreen W.Beautiful and inspiring!

In this beautifully illustrated book, interiors stylist Tim Neve explores a selection of extraordinary homes. Five eclectic chapters feature many personal "sand castles" inspired by the coast: from the elegant, salt-bleached driftwood neutrals of "Beachcomber" to the faded sunshine yellows and retro lollipop zing of "Endless Summer" and the rich peacock-colored velvets and time-worn vintage collections of the "Bohemian" home. Neve also offers a wealth of practical

advice on how to create mood boards and color palettes, and use statement pieces and found objects to create your own personal design style.
