William Woys Weaver : Sauer's Herbal Cures before purchasing it in order to gage whether or not it would be worth my time, and all praised Sauer's Herbal Cures:

William Woys Weaver is a terrific writer. There are two parts of this book: the commentary and history written by William Woys Weaver and the translation from German of Dr. Sauer's Herbal Cures. Both are fascinating. I curate the oldest medicinal herbal garden in America at Historic Bethabara Park in North Carolina and this is my "go to" book. Couldn't do without it.0 of 0 people found the following review helpful. Five StarsBy DaveI am interested in old cures0 of 0 people found the following review helpful. Good
