Great moat terns for children's toysBy Ruby W FelderI'm a beginner at scrolling. These patterns were easy and I have cut and painted several for my grandchildren. Great designs for entertaining them.0 of 0 people found the following review helpful. Patterns on two pagesBy John B. ScanlanMany of the patterns are printed on two pages, so you have to line up the halves to make a blank. It's just an extra step that I've never seen before in other puzzle pattern books.

Puzzle pattern bonanza: 100 patterns for jigsaw, stand-up, and inlay puzzles. "Another terrific woodworking book....These designs for stand-up and inlay puzzles are wonderful. Clear instructions."-Booklist. "More than a pattern book. Well organized and illustrated... concisely presented."-Workbench.
