**Patrick Spielman, James Reidle : Scroll Saw Silhouette Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scroll Saw Silhouette Patterns:

4 of 4 people found the following review helpful. Silhouette patternsBy David Arnoldlarge collection of silhouette patterns. all kinds to choose from you even get patterns for the Holidays from Christmas to Halloween and everyone in between. You get patterns for all skill levels.3 of 3 people found the following review helpful. Scroll Saw Silhouette PatternsBy William D WhitakerThe book is best for someone relatively new to the scroll saw. Many of the patterns are not too difficult and look nice when completed. The book has a wide range of patterns to choose from.1 of 1 people found the following review helpful. Five StarsBy F.D.ok

Here are patterns to use for not only fun but profit. The designs run from simple to complex. You have birds, deer, Indians, cowboys, cars, trucks, football players, baseball players, Christmas patterns, Easter patterns, nautical scenes,

even a pattern of a person using a scroll saw. Booklist.
