A bit small By Martijn Dijkstra Book is a bit small, I expected a bigger book so pictures were a bit better , the book is nothing special compared to other books from the same author. I would be happy to sell it again... Anyone? 0 of 0 people found the following review helpful. Very nice pictures By JPW The book offers a lot of information, the photos are detailed, shopping information is offered. The only thing I missed is the about the cover picture: where can I buy the bed?

Taking readers to some of the most beautiful locations in the world, these full-page color photographs show dream homes on the beaches of Mykonos, the dunes of the Hamptons, and the coast of Brazil.

About the Author Angelika Taschen studied art history and German literature in Heidelberg, gaining her doctorate in 1986. Working for Taschen since 1987, she has published numerous titles on the themes of architecture, photography, design, contemporary art, interiors, and travel.
