Slawson : Secret Teachings in Art of Japanese Gardens: Design Principles, Aesthetic Values (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Secret Teachings in Art of Japanese Gardens: Design Principles, Aesthetic Values (Paperback) - Common:

The art of the Japanese garden is a 1,500-year-old landscape design tradition that is still evolving, still instructive. Secret Teachings in the Art of Japanese Gardens explains the fundamental principles of this tradition and describes how those principles may be applied to a much wider range of environments than exists in Japan. In the first section the author draws on his own experience as an a...
