Kimberly Grigg : Secrets of Southern Design before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets of Southern Design:

Being southern is more than saying ya'll" and drinking sweet tea. Southerners are all about genuine hospitality, respectful manners, and romantic Old World gentility combined with down-home charm, practical wisdom, and a

touch of mischievous whimsy. To really know a southerner, visit her home. There you will find: Welcoming porches and foyers that begin telling a story of who we are Genteel yet comfortable living spaces designed to wow you, but also to invite you to settle in and stay awhile A proud heritage reflected in family antiques and memorabilia woven into our dcor Romantic elegance wedded to down-home functionality, especially in the bedroom Man-spaces that make the men in our life happy so we can have the dcor we want in the rest of the house Attention to detail that transforms a house into a breathtaking southern home! Each chapter features a "Get Your Southern On" section where you can learn how to incorporate timeless southern values into YOUR dcor. So pour yourself a cup of tea, curl up with *Secrets of Southern Design*, and get your southern" on.
