A fantastic new flap book, which takes a humorous yet historically accurate look at life in a Thirteenth Century

medieval castle. Inventive embedded flaps on each double-page spread allow children to explore the hidden world of the castle, peeking inside stables, tents, and carriages along the way.

'Perfectly pitched for Key Stage 2, a mix of facts, humour and novelty flaps...This series is proof that the right non-fiction still sells' - The Bookseller; 'It would be impossible to praise this series too highly' - The Bookseller; 'A super collection of information books from Usborne, which really engage the reader by providing interesting information, colourful graphics and plenty of flaps with yet more information' - Parents in Touch
