0 of 0 people found the following review helpful. Very Nice BookBy Linda M. DowneI love shade gardens. Everyone

who has the room should try and develop this peaceful section of their world. I found this book not only very informative about information I wanted to have on hand but it is attractive enough to keep out on the coffee table. I really enjoy going back to it over and over. LD0 of 0 people found the following review helpful. Great reference book By Jeffrey A Lewis Well worth the information. Great reference book. 0 of 0 people found the following review helpful. Good answers to my problem By Miles Southworth I took the NC Master Gardeners Class. Wanted the book to help with questions received. Recommended it to my classmates. Book was in good shape and arrived in good time.
