From Storey Communications - Garden Way Publishing, Pownal, Vermont : Sharpening Hand Tools before purchasing it in order to gage whether or not it would be worth my time, and all praised Sharpening Hand Tools:

0 of 0 people found the following review helpful. Old book but easy to understand some things never change like these sharpening technics. I guess the problem young people have nBy ImreBook was nice and easy to understand.. The basics were there for hundreds of years. Since man invented the knife.1 of 1 people found the following review helpful. ... in this book it could all be found in better form onlineBy Nathaniel Frostnot worth buying no real info in this book it could all be found in better form online.
