Daniel Carter Beard : Shelters, Shacks, and Shanties: A Guide to Building Shelters in the Wilderness before purchasing it in order to gage whether or not it would be worth my time, and all praised Shelters, Shacks, and Shanties: A Guide to Building Shelters in the Wilderness:

8 of 8 people found the following review helpful. InterestingBy John TurpinThis book gives an interesting overview of how to build all sorts of shelters from a simple lean-to to a log cabin. He throws in simple details that I had tended to overlook, such as the different ways of jointing and joining a log cabin's logs. Another example is how to clay in a wooden chimney so that it will not catch fire.0 of 0 people found the following review helpful. I found it helpful.By Ravi BBThis is very helpful, with several designs of shelters to select from. Many of these could be used for extended periods of time. I found it easy to read and understand the techniques for building these.1 of 1 people found the following review helpful. A great read for young and old from an appropriate sourceBy Wendy ValdermanA great

read for young and old from an appropriate source, one of the founders of the Boy Scouts of America. It comes with instructions on building various shelters each with helpful and fun illustrations. I would say this book is for anyone, specifically younger fans of the outdoors. If you're a camper looking for a helpful guide to stick in your backpack i'd definitely recommend this. *Shelters, Shacks, and Shanties: The Classic Guide to Building Wilderness Shelters* (Dover Books on Architecture)

One of the founders of the Boy Scouts of America, Beard provides a hand-on guide for building a variety of habitable structures in the wilderness and other difficult environments. *Shelters, Shacks, and Shanties* provides easy-to-follow instructions on building everything from tents to teepees to log cabins.

About the Author Known as "Uncle Dan" to those who knew him well, Daniel Carter Beard (June 21, 1850-June 11, 1941) was a famed author, illustrator, and social champion. Inspired by the rugged traditions of the American frontier, Beard founded the Sons of Daniel Boone in 1905. Five years later, he merged the organization with the newly formed Boy Scouts of America.
