The best way to invest in something is to buy property ...By EscalineThe best way to invest in something is to buy property and having a shipping container home have much benefit over the other properties. A comprehensive guide to shipping container homes. I think it's a very practical concept. Prior to reading this book, I was skeptical about the idea, but after reading this book, I'm quite convinced of its eligibility. This book answered most of my questions and I'm 90% sure I'm going to invest money on getting my family a shipping container home. Overall, I loved the book.2 of 2 people found the following review helpful. worth recommendingBy Mandy SandersAwesome! A truly interesting idea! This is a wonderful and easy to understand guide on how to built your own container home, leave mortgages behind and just live off the grid. This book will has helped me to better understand how my family and I can afford a perfect little dream how by purchasing a container and working to make it our dream home at our own budget. Really worth recommending!2 of 2 people found the following review helpful. very good idea to make housesBy prettyphoeberrecently i had been to a restaurant which was entirely made using shipping container boxes and i thought it was a brilliant idea. i thought about reading about this extraordinary home and this book gave me so much information as to how to fit the things and maximize the space, to get the best results. there are wonderful tips and tricks and so affordable prices to make good use of these containers
