Visited a friend's house over the weekend and saw that she lives in a shipping container with her 2 cats. I got so jealous on how she revamped the whole thing! I got curious on how to redecorate a shipping container into a living space and I am surprised that there are so many ways to do it.1 of 1 people found the following review helpful. I will recommend this book to beginners like meBy Chaa Uni  
The book covered basic information about shipping container homes and it opened my eyes to the overview of this topic. I will recommend this book to beginners like me.1 of 1 people found the following review helpful. Good InformationBy Donald  
Good Information; but book I received had no page numbers on pages; appeared to print-on-demand. Put text was very helpful.
