Robert Lang : Shop Drawings for Greene Greene Furniture: 23 American Arts and Crafts Masterpieces before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shop Drawings for Greene Greene Furniture: 23 American Arts and Crafts Masterpieces:

0 of 0 people found the following review helpful. very nice drawings. all you need to build the projects By james stump very nice drawings. all you need to build the projects. 0 of 0 people found the following review helpful. I like it... By kindle user I really like this book. We just bought a house and I am going to make or replace all the furniture with GG inspired designs. This book is a great addition to my woodworking library for that purpose. 0 of 0 people found the following review helpful. The book had several very useful suggestions for techniques in construction of pieces not limited ... By Customer The book had several very useful suggestions for techniques in construction of pieces not limited to GG style but applicable to any style. Drawings were of little value to my endeavors as my work is

primarily of small pieces.

Greene and Greene furniture, recognized as the finest expression of the American Arts and Crafts movement, is presented as working shop drawings for the first time. These drawings offer accurate front, side, top and detail views in addition to complete cutting lists.

From the Back Cover Projects include... Blacker Medicine Cabinet Blacker Hall Seat Blacker Night Table Bolton Chair Bolton Hall Table Bolton Plant Stand Bush Curio Cabinet Freeman Ford Serving Table Gamble Bed Gamble Bookcase Gamble Chiffonier Gamble Entry Table Gamble Kitchen Cabinets Gamble Kitchen Table Gamble Mirror Charles Greene Sideboard Robvinson Dining Table Robinson Side and Arm Chair Thorsen Serving Table Thorsen Plant Stand Tichenor Bedroom Chest Townsend Occasional Tables Greene Greene furniture, widely recognized as the finest expression of the American Arts Crafts movement, is presented here for the first time as working shop drawings. Featuring accurate front, side, and top views, with comprehensive section and detail views, these drawings offer today's woodworkers a long-awaited opportunity to reproduce these furniture masterpieces, which have often been photographed but never before presented in such detail. Introductory chapters explain who were the Greene brothers and how they created their extraordinary furniture and houses in Southern California at the turn of the last century. Technical chapters cover suitable woods and finishes and provide solid information on how to make such characteristic Greene Greene details as proud plugs and splines, breadboard ends, and cloud lifts. Robert W. Lang is senior editor at Popular Woodworking magazine and the author of Bob Lan's The Complete Kitchen Cabinetmaker, MORE Shop Drawings for Craftsman Furniture, Shop Drawings for Craftsman Furniture, Shop Drawings for Craftsman Inlays and Hardware, and Shop Drawings for Craftsman Interiors.
