Malcolm Kirk : Silent Spaces: The Last of the Great Aisled Barns before purchasing it in order to gage whether or not it would be worth my time, and all praised Silent Spaces: The Last of the Great Aisled Barns:

1 of 1 people found the following review helpful. Fabulous - Archecture Artists joy.By CarNutWe have bought 6 copies over the years of this wonderful book. If you do not have one in your library - especially if you are an artist or architect - you must get one before it is too late.0 of 0 people found the following review helpful. What a wonderful book!By DougWhat a wonderful book!!! It's amazing how those craftsmen could build those barns with just manual labor and hand tools.

Amazing pictures documenting the last handfull of aisled barns in the world. A classic piece of research and a must for architects and farmers.
