Roddy Martine, Bill Milne : Single Malt Scotch before purchasing it in order to gauge whether or not it would be worth my time, and all praised Single Malt Scotch:

The most eye-catching book on the subject By A Customer So the story goes, Mr. Martine met Bill Milne during Bill's annual Scotch Tasting party at his photography studio in NYC. The idea was born and Bill made several trips to Scotland to shoot the pictures for this stunning book. Though I don't drink Scotch, the book was just too irresistible. A great story told through great design and photography.

Scotch whiskey has been celebrated and maligned, promoted and proscribed, taxed and smuggled. Single Malt Scotch is a glorious celebration of Scotch whiskey's history and of its place in Scottish culture and society, certain to delight and inform anyone with a taste for the delicious amber "water of life." 160+ full-color photos.
