Kim Ondaatje : Small Churches of Canada before purchasing it in order to gauge whether or not it would be worth my time, and all praised Small Churches of Canada:

0 of 0 people found the following review helpful. Outposts of peace By Morgan LMHC Outstanding Canadian artist and photographer Kim Ondaatje in 1982 published a heartfelt visual tribute to the hundreds of small places of worship built by settlers and missionaries in the 19th and early 20th centuries. While I often wished for more information about each pearl she enshrined in this 195-page book, the mostly bw images speak volumes for these simple architectural structures and the spirit of the communities who created them.--MR
