Aitana Leonard : Small+Modern+Urban=Home before purchasing it in order to gauge whether or not it would be worth my time, and all praised Small+Modern+Urban=Home:

3 of 8 people found the following review helpful. Charles and Ray Eames....brothers?By StacieThis book has some nice imagery. However, one of the captions notes "seats designed by the Eames brothers." Anyone who knows about design and furniture knows that Charles and Ray Eames were not brothers. I probably will not be purchasing another design book by this author as it seems they do not know much about design.

New and practical solutions to make small homes appear larger, while still allowing style, comfort, and functionalitySmall + Modern + Urban = Home features new and imaginative ways to save space and moneyfrom taking advantage of high ceilings to designing special, multifunctional furnitureand advice from world class architects who offer ingenious space solutions. This book features a selection of modern apartments, lofts, duplexes, and studio flats that will surprise you with their creative concepts, new design ideas, and endless possibilities for small home living.

About the AuthorAitana Leonard is a journalist who has worked for many interior design, architecture, and fashion magazines, newspapers and radio programs. A writer at Loft Publications, she is the author of Minimalism Color
