Jack P. Jones : Small Space/Big Bucks: Converting Home Space Into Profit before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Space/Big Bucks: Converting Home Space Into Profit:

2 of 2 people found the following review helpful. A gold mine of instructionsBy A CustomerIf you want to know how to find space for that home office or income-producing space such as apartments without adding on then you should consult the pages of this book for it tells you in detail how to convert unused space in your home into that office or apartment. If you think you don't have any space large enough, think again and get this book. You'd be surprised what you can do with small space with the proper guidelines for design, planning, and detailed instructions for conversion. This book pays for itself in the planning stage--keeping you from costly mistakes.

Make the most of limited space in your home for office or income rentals. If you have room to spare in your home and

need space for an office or rental apartment, this book is perfect for you. This well-illustrated guide shows you how to convert unused rooms, attics, and basement space into money-making apartments, studios, or home-based offices.

"On my scale of one to 10, this excellent book rates a 10". -- Robert J. Bruss, Tribune Media Service. Real Estate Books, Jun 11, 1995
About the Author Jack P. Jones is an experienced carpenter, plumber, mason and electrical contractor. He is the author of ten do-it-yourself books on home remodeling and construction.
