**The Southwater Editors : Small Trees: The Little Plant Library Series (New Plant Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Trees: The Little Plant Library Series (New Plant Library):

With practical advice on buying and planting, care and maintenance, prucing and propagation, this guide shows you how to introduce small trees into your garden.

About the Author Andrew Mikolajski is an established gardening expert. He edited the RHS Encyclopedia of Plants and Flowers and the RHS Encyclopedia of Gardening and has written several gardening titles, including a number of the New Plant Library series. Peter McHoy is a well-known author and journalist. He has written over 25 books for major publishers on many gardening and houseplant topics, including Low-Maintenance Gardening and The Complete Houseplant Book. He has also compiled and edited important gardening works such as The Gardening Encyclopedia and The Gardener's Diary.
