**Ana G. Canizares : Small Urban Interiors: 500 Solutions for Living** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Small Urban Interiors: 500 Solutions for Living**:

The lifestyle lead by many of today's urbanites points to the conviction that less is more. With living space at a premium the sole option for many is to make the most of what they have. Fortunately, this has been proven to be the motivation of some of the most innovative solutions that transform small spaces into practical and stylish contemporary pads. Color can enhance the feeling of space. High ceilings can transform into additional levels. Sliding doors and portable closets replace permanent walls, and furniture on wheels offers versatility and comfort. These are only several examples of the design solutions available to apartments, studios, lofts, and small houses that are all limited by one thing: the lack of surface area. Featuring inspirational projects by some of the world's best known architects and interior designers, **Small Urban Interiors** provides a fresh look at how to make the most of small living spaces in urban environments.
