**Editors of Creative Homeowner, Home Improvement, How-To : Smart Guide: Ceramic Tile, All New 2nd Edition: Step by Step (Home Improvement) (English and English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Smart Guide: Ceramic Tile, All New 2nd Edition: Step by Step (Home Improvement) (English and English Edition):

0 of 0 people found the following review helpful. informative By SurfCityGal Excellent book on how to get started and what you will need to get started. Only 30-40 pages, so if you need something more in depth a supplement is needed.

Smart Guide: Ceramic Tile, 2nd edition, will get readers started on their next household tiling project, no matter how complex it may seem. An all-new edition featuring colorful, instructional photographs instead of illustrations and with

in-depth chapters on covering walls and floors and step-by-step sequences directing readers along the way, this book is a staple reference guide for any do-it-yourselfer looking to take tiling into his or her own hands. Packed with color photographs and illustrations to help guide readers along the way, this book has the answers and direction homeowners are looking for, whether they're wondering what type of tile is best for a wall or tub/shower enclosure or looking for the right way to prepare a subsurface before installation.
