As a self-professed "garden-fanatic," there were even a few things I hadn't come across until reading this book. A must-buy for the gardener's library collection. 0 of 0 people found the following review helpful. Very informative. By Stuart Burgh, Sr. Bought the book for my husband, and he said that it was very helpful. It gave him many ideas in organizing our yard.

Smart Guide: Home Landscaping shows readers how to turn their yards into landscaped spaces. Reakers learn to

incorporate hardscapes, trees and shrubs, lawns and ground covers, and flowering plants into their landscapes.
