Friedrich Achleitner, Bodo-Michael Baumunk, Harald Fricke, Walter Grasskamp, Renate Puvogel, Burkhard Spinnen, Michael Zinganel : Sondermodelle/Special Models: The 387 houses of Peter Fritz, a Viennese insurance clerk before purchasing it in order to gage whether or not it would be worth my time, and all praised Sondermodelle/Special Models: The 387 houses of Peter Fritz, a Viennese insurance clerk:

1 of 1 people found the following review helpful. fritz-studies - a great aventure goes onBy oliver elserWhat the authors call fritz-studies is a research project, in which this fine book is only the first step. They have also a german/english website under the same title as the book, which might be a good addition to this catalogue. Just search with google for Sondermodelle and you will find it and get further information.

This unique and surprising book presents 387 small-scale architectural models created by the late insurance clerk Peter Fritz. The models were discovered in a junk shop by artist Oliver Croy, and were subsequently exhibited, receiving much acclaim.
