Marcia Margolius : South African Decor and Design 2007 before purchasing it in order to gage whether or not it would be worth my time, and all praised South African Decor and Design 2007:

This sourcebook will prove invaluable to any person requiring accessible, reliable and varied information on services provided by the decor and design industry in South Africa. In addition, it will also clearly indicate the direction in which this dynamic industry has moved over the past decade. Updated annually; lists over 3000 manufacturers, service providers and suppliers; lists all professional institutes and training colleges; lists national and international exhibitions, offering full details, dates and venues for events; includes two useful indexes: an alphabetical index of company names and a comprehensive index of products and services. Now with Marcia's Solutions providing guidelines for all areas of the home.
