Chris Hastings : Southern Lawns: A Step-by-Step Guide to the Perfect Lawn before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southern Lawns: A Step-by-Step Guide to the Perfect Lawn:

0 of 0 people found the following review helpful. Clear and organized guideBy AJThis book clearly details how to maintain, repair, and even plant various types of southern grass types. I liked the maintenance calendar and how it explains why each task is done on each particular month as well as optional tasks or variations on a task. With what I've learned, I'm looking forward to a much improved lawn next season.0 of 0 people found the following review helpful. Great LawnBy swtgood book but it is rather exhaustive in its coverage of all lawn types and since I have one lawn that is exclusively Bermuda, most of the book is worthless. However, followed their suggestions and my lawn looks amazing this year.0 of 0 people found the following review helpful. Five StarsBy AnnWonderful book to help with getting a good stand of grass.

Son of renowned horticulturist Don Hastings, Chris Hastings presents his readers with step-by-step instructions for year-round care of lawns from Virginia to Texas.

About the Author Chris Hastings, representing his family's fourth generation in the gardening business, is coauthor, along with his father, *Month by Month Gardening in the South* and the author of *The Zoo Garden-Forty Animal-Named Plants Kids Can Grow Themselves*. Author resides in Atlanta.
