Editors of Southern Living Magazine : Southern Living Everyday Gardening: Smart Design * Simple Landscape Ideas * Best Plants Flowers (Southern Living (Paperback Oxmoor)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southern Living Everyday Gardening: Smart Design * Simple Landscape Ideas * Best Plants Flowers (Southern Living (Paperback Oxmoor)):

1 of 1 people found the following review helpful. Five StarsBy cbnljGreat book for beginners and old hands!1 of 1 people found the following review helpful. Dated text.By A. Y.Dated. Nice pictures but less technical information than I was expecting.5 of 6 people found the following review helpful. Great layman's reference!By JCRobertsI am a "sometimes" or "beginner/intermediate" gardener hoping to increase my garden abundance from a few tomatoes and some flowers to something more substantial this year. I receive Southern Living magazine and am always helped by the tips inside. This book has already proved to be a tremendously helpful resource book for me as I make real plans for spring planting this year. The chapters include:*Design Your Garden*Key Garden Elements*Plants You Gotta Grow*The Edible Garden*Gardening Step-by-Step*Around Your Garden (a handy month-by-month tutorial)*Zone MapsThe layout is easy to read, easy to navigate, and quite frankly, beautiful. I am enjoying it. An advanced gardener will need something more in-depth, no doubt, but I think anyone can benefit from its easy-reference style.

Get an insider's look at the best garden techniques and landscape design ideas that will inspire you to create your own outdoor retreat.Let the experts at Southern Living take the guesswork out of your gardening...
