Brad Staggs : Spend-A-Little Save-A-Lot Home Improvements: Money-Saving Projects Anyone Can Do before purchasing it in order to gage whether or not it would be worth my time, and all praised Spend-A-Little Save-A-Lot Home Improvements: Money-Saving Projects Anyone Can Do:

2 of 2 people found the following review helpful. Book with some good, simple ideas to fix your homeBy Trey MI had originally borrowed this book from the library and liked it so much I purchased a copy. Good, simple and cheap ideas to spruce up your home.0 of 0 people found the following review helpful. Good Guide for new Home ownerBy Vets WifeI watch the Danny Lipford home show on Saturday mornings. He referenced this book. I am a new home owner I find this book simple easy to use. I also like that it has pictures. For a beginner as myself, I find it helpful. Not too detail or using descriptions that I do not understand.0 of 0 people found the following review helpful. Five StarsBy

TNflowergirlArrived safely. Thanks.

Spend-A-Little, Save-A-Lot Home Improvements helps people save money by making homes energy efficient and safe. Step-by-step photos and instructions show how to complete home improvement projects. Whether one is prepping a house for sale or upgrading a keeper, the projects in this book will prove valuable, in a real sense.

About the AuthorBrad Staggs has written, produced and directed feature stories for The Nashville Network. When HGTV launched, Brad began producing and hosting features for Decorating with Style and Today at Home, where he quickly became known as HGTV's "Home Maintenance Expert." Today, Brad is seen on HGTV's HGTVPro.Com Weekly and on the syndicated Rebecca's Garden and The Today Show.
