**From Brand: Krause Publications : Sporting Knives 2002** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sporting Knives 2002:

2 of 2 people found the following review helpful. In-depth coverage to the latest knives and accessoriesBy Midwest Book ReviewThe publishers of Gun Digest's 2002 Sporting Knives is edited by Joe Kertzman and provides an in-depth coverage to the latest knives and accessories, from sporting knives to collector knives. Black and white photos accompany not just prices, but detailed information on the background history of knives and knife making companies. A fine reference.

This new book from the publishers of Gun Digest and the Knives annual is the first to cover the breadth of todays commercial sporting cutlery. Authorities provide new product reports on the various major knife categories: folding, fixed, pocket, multi-tool, fantasy, and more. Articles from experts report on trends, applications, history and collecting

in this rapidly growing enthusiast area. Today's factory-made sporting knives range from the utilitarian to the fantastic; from rugged work blades to works of art priced up to \$500! All are showcased in both the new product reports and in the exclusive new catalog section. Heavily illustrated. - In-depth, informative feature articles - New products report on all major categories of sporting cutlery - Exclusive catalog section with specifications and prices - Reference/directories of manufacturers, publications and collectors associations; Library of Sporting Cutlery and Edged Weapons
