**Frank W. Abagnale : Stealing Your Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stealing Your Life:

0 of 0 people found the following review helpful. Very informativeBy FrederickThis CD is important information for anyone that uses credit or has a checking account. In other words, just about everyone is affected by this -- the fastest growing crime in America. Learn to think like a thief and understand how to better protect your personal information.0 of 0 people found the following review helpful. Stealing Your Life - FWABBy Sugar BearI enjoy security books by Abagnale and this is no different. There are people that will say that this material should not be published as so many crooks will copy the techniques. The crooks already know these techniques and a crook using old techniques will get caught sooner than later. Frank discusses both the holes in the system as well as a variety of ways you can plug them (if you are vulnerable). It is the innocents that do not realize the danger they put themselves into on a daily basis that need, really need, to read (listen to) this book. I believe that everyone could benefit by reading this book (even if you work in this field).

Brimming with anecdotes of creative criminality that are as entertaining as they are enlightening, Stealing Your Life is the practical way to shield yourself from one of today's most nefarious and common crimes.

About the Author Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams, and Robert Monjo, was one of the most daring con men, forgers, imposters, and escape artists in history. In his brief but notorious criminal career, Abagnale donned a pilot's uniform and copiloted a Pan Am jet, masqueraded as the supervising resident of a hospital, practiced law without a license, passed himself off as a college sociology professor, and cashed over \$2.5 million in forged checks, all before he was twenty-one. Known by the police of twenty-six foreign countries and all fifty states as "the Skywayman," Abagnale lived a sumptuous life on the lam--until the law caught up with him. Now he is recognized as the nation's leading authority on financial foul play.
