Better Homes and Gardens Books : Step-by-Step Deck Projects (Better Homes Gardens Step-By-Step) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Step-by-Step Deck Projects (Better Homes Gardens Step-By-Step):

50 doable project ideas with deck planning, building, and maintaining explained in easy-to-understand steps. Tools and Materials chapter teaches such essentials as using a circular saw, measuring and leveling, and choosing the right lumber. Explains how to upgrade existing deck with railings, planters, built-in seating and sun screens. Shows how to craft custom designs such as wraparound, multi-level, and entry decks. Full-color photos of finished deck projects and

full-color illustrations lead readers step-by-step.
