I like that it has colored pictures which are easy to follow. I would definitely recommend this book to a first time home buyer.0 of 0 people found the following review helpful. A Tool Time Mom Project Book!By Angie VanzantA great source of ideas with good direction intruction. Some tools required may not be accessible though. Good photos and extended ideas for the end projects.0 of 1 people found the following review helpful. Step-By-Step Outdoor ProjectsBy Kathy FlemingAn excellent book to do those outside projects!

Detailed instructions for 50 different projects--such as planters, decks, greenhouse, garden ponds--show how to turn a home's exterior into a more enjoyable living space. The Step-by-Step series has sold 3.5 million copies. Over 40 full-color photos. Over 200 illustrations.
