Better Homes and Gardens : Step-by-Step Ultimate Yard Garden (Better Homes and Gardens Gardening)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Step-by-Step Ultimate Yard Garden (Better Homes and Gardens Gardening):

0 of 0 people found the following review helpful. Very good seller.By Gary CovertA book with a lot of great information.4 of 5 people found the following review helpful. Exceptional Guide - plus free subscription included!By P.S.This is a wonderful step-by-step guide. I appreciated how they divided the book into sections of color, season, multi-season, and daylight. The photography is beautiful and a useful tool to incorporate ideas. This book puts to rest the idea that most the perennials listed are for zones 6-11. It accomodates those of us in zones 3-5 too unlike many other books. A bonus was the free 1 yr subscription to Better Homes Gardens magazine included with the book. Look for the subscription card inside the back cover. I've purchased many perennial books. This is my favorite.0 of 0 people found the following review helpful. Have been very pleased with my purchase and find myself - even after ...By Michelle HerzogI'm new to gardening and yard work and needed a book with some basic and a little more advanced information. Have been very pleased with my purchase and find myself - even after 3 years of owning it - picking it up for ideas and information. The photos are great and love the fact they incorporate the different zones.

As you walk through your neighborhood, do you find yourself analyzing your neighbors' yards, trying to figure out how they were able to combine all those plants to create such a beautiful yard, walkway, or garden? Wonder no more! Better Homes and Gardens(r) Step-by-Step Ultimate Yard Garden takes you behind the scenes and shows you how it's done. Inside this ultimate book you'll find step-by-step instructions, a comprehensive list of garden ideas, and information for accessorizing and maintaining your new look. And a descriptive and colorful plant guide explains in detail all the best perennials, ferns, and ornamental grasses you can use to enhance the color and fragrance of your new design! Colorful, detailed photos guide your progress Easy-to-follow instructions
