helpful. Tiny book with basically no useful information. Would have been better off just relying ...By A. Benson Tiny book with basically no useful information. Would have been better off just relying on the internet for this info. I guess this would be fine to include in a gardening themed gift basket. But to purchase for informational purposes...waste.

This handy little gift book is the perfect pocket guide to your garden! For the green thumb in your life, this delightful companion is blooming with fun facts and helpful ideas for everything from indoor seed-starting to tips for hassle-free roses. Whats the difference between heirlooms and hybrids? How can I stop weeds from invading my flowerbeds? And whats the best way to attract helpful, beneficial insects? All these questions and more are answered for gardeners of all ages and experience. Topics include: Tips for Hassle-Free Roses How to Grow Perfect Tomatoes How to Start Seeds Indoors How to Extend the Growing Season And more!

A pocket reference for any gardener, veteran or newbie. Midwest Home A go-to resource for quick answers the next time youre stumped in the garden. Washington Gardener This delightful companion is blooming with fun facts and helpful ideas. Houston Lifestyles and Homes Stuff Every Gardener Should Know [is] a handy little reference book thats perfect for gardeners of all ages and experience. Oyster Bay Enterprise-Pilot About the Author Scott Meyer was an editor at Organic Gardening magazine for 20-plus years and has appeared as a gardening expert on The Today Show, Live with Regis and Kelly, Good Morning America, and other national TV broadcasts. A home gardener for more than 25 years, Meyer tends his raised beds at his house in Bucks County, Pennsylvania.
